FLOORTEC 760

Walk behind battery driven sweeper

Increased productivity and ease of use

- The easy to use side broom control placed on the handlebar aids precise sweeping.
- Lowering or raising the fully electric brooms will automatically turn it on or off.
- Increased productivity available by adding the optional left side broom.
- No Tools required, main broom can be easily adjusted by turning a knob.

Easy emptying & disposal

- Hopper holds 60 litres of dry debris so you can sweep for longer.

- New transportable hopper on wheels making it easy to handle even with a full load.
- You can safely roll it to the place of disposal.

Easy to understand controls & maintenance

- Settings can easily be monitored and reached on the dashboard and handlebar.
- One Touch Sweeping for quick cleaning. No need for stops to make changes or adjustments.
- Key operated to prevent misuse

Easy to store ergonomic design

- Integrated onboard charger as standard.
- Side broom lever located on the ergonomic handle makes it easy to lower or raise the side broom from operator position.
- Robust ergonomic foldable handle for easy storage.

TECHNICAL DATA
